

Together in Mission (T.I.M.) is a cooperative mission-support program that enables congregations and individual members of **LCMS** to combine resources through faithful stewardship and tithes.

By working together, churches provide meaningful financial support for mission work around the world.

This shared commitment strengthens the church's witness and extends care to workers serving in many places.

It reflects a unified response to Christ's call to make disciples among all nations.

Our Circuit

The Alexandria Circuit consists of 14 congregations, including Good Shepherd, contribute to the T.I.M. funds to support missionary efforts and theological education.

Missionaries We Support

Through these contributions, the circuit currently provides financial assistance to:

Missionary	Ministry Location/Focus
Ashley Lehr	Puerto Rico
Pastor Dan and Joan Jastram	Japan
The Wood Family	Southeast Asia
Jacy Franzen	YWAM
Nathan and Sarah Federwitz	Lutheran Bible Translators
Jonathan and Carrie Federwitz	Bible Translation Aviation

Seminary Scholarships

In addition to missionary support, T.I.M. funds two scholarships for students from the **Confessional Lutheran Church of Malawi Synod** to attend seminary at **Neema College Seminary** in Matongo, Kenya.

Missionary Presentations

Missionaries regularly share updates about their ministries through presentations open to members of all Alexandria Circuit congregations. These presentations provide opportunities to learn about mission work impact, celebrate God's blessings, and gain deeper understanding of the needs of those serving around the world.

How Funding Works

Missionary funding allocations are determined based on needs presented by missionaries. While T.I.M. supporter generosity makes significant ministry possible, missionary needs often exceed currently available resources.
